

RAPID DOSE THERAPEUTICS ANNOUNCES DELAY IN ANNUAL FILINGS UNDER COVID-19 DURESS

Burlington, Ontario – June 26, 2020 - **Rapid Dose Therapeutics Corp. (CSE: DOSE)** (“RDT” or the “Company”) announces that due to circumstances created by the COVID-19 pandemic, the Ontario Securities Commission and other members of the Canadian Securities Administrators granted “Issuers” in the Canadian securities industry up to an additional 45 days, to complete year-end statutory filings (the “Extension”).

The Canadian Securities Administrators have announced temporary relief from certain regulatory filings to be made on or before August 31, 2020. This blanket relief is implemented through instrument 51-502 and similar orders made in other provinces and territories of Canada which, in light of Covid-19 and its impact on market participants, provides the extension to file its audited financial statements and management discussion and analysis for the year ended February 29, 2020 (the “Annual Filings”) by its usual 120-day deadline of June 28, 2020.

Accordingly, as required by the conditions of the Extension, the Company’s management and other insiders will be subject to a trading black-out that reflects the principles in Section 9 of National Policy 11-207 until its financial statements are filed, which will be by August 12, 2020.

Other than as previously disclosed by the Company in news releases, including the information herein, there are no other material business developments since the date of the Company’s most recent filing of its interim financial statements and management discussion and analysis for its Q3 ended November 30, 2019.
