

## Rapid Dose Therapeutics Appoints Dr. Michael Glogauer to Advisory Board

BURLINGTON, Ontario – January 5, 2022- Rapid Dose Therapeutics Corp. (“**RDT**” or the “**Company**”) (**CSE: DOSE**), a Canadian biotechnology company revolutionizing drug delivery through innovation, is pleased to announce another significant addition to the Company’s advisory board with the appointment of Dr. Michael Glogauer.

Dr. Glogauer is the Dentist in Chief at the University Health Network and Princess Margaret Cancer Centre and a Full Professor in the Faculty of Dentistry at the University of Toronto. His keen interest in research makes Dr. Glogauer the ideal Scientific Director at the Centre for Advanced Dental Research and Care at Mt. Sinai Hospital and the Chief Scientific Officer and Founder of Ostia Sciences Inc.

“The addition of Dr. Glogauer to the RDT Advisory Board provides a unique opportunity to collaborate with one of Canada’s preeminent leaders in oral and dental care where he will be looked upon to provide guidance into ongoing innovation of our sublingual technology,” said Mark Upsdell, CEO, Rapid Dose Therapeutics.

The Company is announcing the granting of incentive stock options to Dr. Glogauer to purchase, in total, 200,000 common shares at an exercise price of \$.51 per share. The options vest equally every six months over a two-year period and expire on January 5, 2027.

### **About Rapid Dose Therapeutics Corp.**

Rapid Dose Therapeutics is a Canadian biotechnology company revolutionizing drug delivery through innovation. The Company’s flagship product QuickStrip™ is a thin, orally dissolvable film, that can be infused with an infinite list of active ingredients (nutraceuticals, pharmaceuticals, vaccines, cannabis) that are delivered quickly into the bloodstream resulting in rapid onset of the active ingredient.

**CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS:**

*Certain information in this news release may contain forward-looking information within the meaning of applicable securities laws. Any statements that are contained in this news release that are not statements of historical fact may be deemed to be forward-looking statements. Forward-looking statements are often identified by terms such as “may”, “should”, “anticipate”, “expect”, “potential”, “believe”, “intend”, “will”, “could”, “are planned to”, “are expected to” or the negative of these terms and similar expressions. Statements containing forward-looking information, including, without limitation, in respect of the delivery of equipment and products using the QuickStrip™ product delivery method, the generation of recurring revenues, as at the date of this news release, the plans, estimates, forecasts, projections, expectations or beliefs of RDT management as to future events or results and are believed to be reasonable based on information currently available to RDT management. Forward-looking statements necessarily involve known and unknown risks, including, without limitation, risks associated with general economic conditions; adverse industry events; marketing costs; loss of markets; termination of WLM agreements; future legislative and regulatory developments involving cannabis; inability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favourable terms; the cannabis industry in Canada generally, income tax and regulatory matters; the ability to implement its business strategies; competition; currency and interest rate fluctuations and other risks. Readers are cautioned that the foregoing list is not exhaustive. There can be no assurance that statements of forward-looking information, although considered reasonable by RDT management at the time of preparation, will prove to be accurate as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. Actual results and future events could differ materially from those anticipated in such forward-looking statements. Readers should not place undue reliance on forward-looking statements. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement.*
